

Education Training Regulation

Supervisor Accreditation and Competence in the Elements of the Training Program

Authorising Committee/ Department:	Education Committee
Responsible Committee/ Department:	Education and Training Department
Document Code:	REG EDT-TRN Supervisor Accreditation and Competence in the Elements of the Training Program (12.2)
Date:	15/03/2024

Supervisor Accreditation and Competence in the Elements of the Training Program

In order to supervise trainees in the College training program, a supervisor must be accredited by the College and must be competent in the elements of the training program as it has been developed under the RANZCP Fellowship Regulations 2012.

This regulation is inclusive of both medical and non-medical supervisors.
