

Education Training Regulation

Stage 2 Elective Rotations

Authorising Committee/ Department:	RANZCP Board
Responsible Committee/ Department:	Education Committee
Document Code:	REG EDT-TRN Stage 2 Elective Rotations Regulation (9.4)
Date:	15/03/2024

Stage 2 Elective Rotations

During Stage 2 of training, trainees must undertake two elective rotations from the following Areas of Practice:

- Addiction Psychiatry
- Adult Psychiatry
- Child and Adolescent Psychiatry (additional to mandatory rotation)
- Consultation–Liaison Psychiatry (additional to mandatory rotation)
- Forensic Psychiatry
- Indigenous Psychiatry
- Psychiatry of Old Age
- Psychotherapies
- Research (note: a trainee may only undertake a maximum of 6 months FTE in a research post as part of Stage 2 training, which must be prospectively approved by their Branch Training Committee or the New Zealand Training Committee).
